Greetings:

HELLO Students, Parents and Guardians! I will try to keep our weekly plans as simple, educational and fun as possible. Student work can be compiled and dated in a scribbler, Word document or loose leaf. That can become their French Journal mentioned in the plan. For now, we will be focussing on Reading, Listening and Writing. Check out my Teachers Web Page linked to the EW6 Web Page for details every day.

Breathe - Smile - Learn

Monday:

Reading:

- Read the suggested text.
- Use the reading comprehension strategy suggested and take notes in the French Immersion Journal.

Tuesday:

Reading:

- Re-read the text from Monday.
- Reflect on what you read. Make connections. Answer questions in the French Immersion Journal.

Wednesday:

Listening:

- Listen to the suggested French video.
- Answer the exercises or reflection questions in the French Immersion Journal.

Thursday:

Writing:

- Catch-up on the reading and listening assignments of the week.
- Choose a prompt from this French Language Arts web page to write about in the French Immersion Journal.

Friday:

Choose one of the educational games in the bank of online games. You will find them on this on the French Language Arts Web page.

ça va bien aller!
