ILLUMINATE!

Shedding light on careers in Science, Technology, Engineering, and Math (STEM)

You are cordially invited to Science East's
ILLUMINATE!
Open House Career Event

This fair-style event will take place at the following schools from 6:00-7:30 p.m.

Dalhousie, October 27th at Dalhousie Regional High School
Miramichi, November 3rd at Dr. Losier Middle School
Shippagan, November 10th at École l'Envolée
Clair, November 17th at Centre d'apprentissage du Haut-Madawaska
Campbellton, November 30th at Polyvalente Roland-Pépin
Edmunston, December 8th at École Notre-Dame
Bathurst, December 20th at Place des Jeunes

- Join youth, their families and the general public to try out the innovative tools and equipment used in the businesses, research facilities and non-profits in your communities.
- Be prepared to experience some surprising careers which use STEM every day! By illuminating the relevance of **S**cience, **T**echnology, **E**ngineering and **M**ath to all careers today, students can make more informed choices about the future!

ILLUMINATE! open house career events have attracted over 5000 visitors to date.

Don't miss this innovative and unforgettable opportunity to inspire our next generation!

Science East thanks its funding partners who make this innovative program available to New Brunswick youth
